India Gifts 2-Tonne Consignment of Essential Medical Supplies to Shree Hindu Mandal Hospital

DAR ES SALAAM, April 20, 2026 — In a significant gesture of international cooperation and humanitarian support, the Government and People of India have officially handed over a substantial two-tonne consignment of essential life-saving medical supplies to the Shree Hindu Mandal Hospital in Dar es Salaam. The formal handover took place today during a press conference held at the High Commission of India, where the High Commissioner of India, H.E. Bishwadip Dey, presented the gift of medicines to Dr. Kaushik L. Ramaiya, Trustee of the Shree Hindu Mandal Hospital. This comprehensive contribution is designed to bolster the hospital's diagnostic and treatment capabilities, featuring a wide array of critical items including oxygen concentrators, suction units, oximeters, microscopes, and stethoscopes. Furthermore, the consignment addresses immediate clinical needs with a vast supply of inhalers, syringes, examination gloves, bandages, and wheelchairs, ensuring a holistic upgrade to patient care and mobility services.

During the ceremony, H.E. Bishwadip Dey highlighted that this gift reaffirms the deep-rooted friendship between India and Tanzania, emphasizing a shared commitment to improving public health outcomes and ensuring that life-saving technology is accessible to those who need it most. Dr. Kaushik L. Ramaiya expressed sincere gratitude on behalf of the Shree Hindu Mandal Hospital, noting that the diverse range of equipment and consumables will provide vital support to the medical staff in their daily mission to deliver high-quality healthcare to the community. This partnership stands as a testament to the enduring bilateral ties and the collective effort to strengthen the healthcare infrastructure within the region.
